Description

EASY TO USE SONAR

SplitShot™ HD Get the best underwater views below the boat with SplitShot HD, featuring the fish-finding capability of wide-angle high CHIRP sonar and the high-resolution images of fish-holding structure from DownScan Imaging™.

FishReveal™ Take the guesswork out of fish identification with FishReveal, combining DownScan with CHIRP for unparalleled target separation and identification.

Autotuning Simple autotuning sonar gives you the optimal settings from the start so you don't have to spend time trying to find them yourself.

DETAILED CHARTING

WORLDWIDE BASEMAP Pre-loaded with worldwide basemap you have the options to upgrade to CMAP® DISCOVER™ or other charting providers. With Eagle, you have the options you need to discover and navigate to the best fishing spots, how you want to.

UPGRADE TO C-MAP DISCOVER All you need to make the most of your time on the water with wide coverage of inland and coastal areas in highly detailed and accurate charts. See things your way with C-MAP®.

GENESIS LIVE Know your local waters better than anyone with the ability to create custom ½-foot contour maps of your local lake or uncharted water in real time.

DESIGNED FOR FISHING

IPS SCREENS See clearly wherever you go with a new IPS screen, offering improved resolution, clarity and visibility, even with polarized sunglasses in direct sunlight.

NEW CONNECTOR SYSTEM Set up in an instant with our improved twist-locking connector, promising an easy and reliable installation and removal every time.

ONE-YEAR WARRANTY Our priority is to give you superior quality products and a stress-free time on the water. Enjoy the feeling of fishing with peace of mind thanks to our one-year warranty guarantee.

Features :

- Enhanced SplitShot™ HD Transducer with Autotuning sonar
- Worldwide basemap
- IPS screen, viewable from all angles, even in polarized glasses
- New reliable twist-lock connector system for easy installation in any boat or kayak
- SD card slot for software updates, Genesis Live recording and charting add-ons.
- See fish hiding in cover with FishReveal™ mode
- Increase contrast and viewability with all-new Imaging color palettes
