## Description

The Elite Fishing System (FS) combines the power of Lowrance's proven and newest fishfinding tools with a more affordable display that's easier to use and install. From integrated support for ActiveTarget™ live sonar and extreme high-resolution Active Imaging™ with Lowrance CHIRP sonar, SideScan and DownScan Imaging™ to preloaded C-MAP® AUS/NZ Enhanced Embedded Fishing Maps, Elite FS gives you all the tools you need to find and catch more fish.

### Find More Fish with Proven Lowrance Sonar

See structure and cover with a new level of refined detail and at a range unmatched by any other structure imaging technology with Active Imaging™ 3-in-1 sonar featuring CHIRP, SideScan and DownScan with FishReveal™. Get the best of CHIRP sonar and DownScan Imaging™ on one screen with FishReveal, a Lowrance exclusive that helps you easily recognize fish from structure and cover on high-detailed DownScan images.

### Target Fish Live with New ActiveTarget™ Live Sonar

Fish smarter when you know exactly what fish are doing - in real time - with ActiveTarget™ Live Sonar. Enjoy high-resolution views of fish movements, tracking them as they swim in and around cover. Watch their real-time response to your lure and you will know if your current technique is working or if it's time to switch things up.

### Find Key Fishing Areas with Enhanced Embedded Charts

Spend more time trying to catch fish and less time trying to find them with the high-resolution detail of C-MAP® Enhanced Embedded inland and coastal charts built into Elite FS displays. From finding key fishing areas, like ledges, drop-offs and ditches to navigating with precision to fish-holding areas, you will have more success on the water with Enhanced Embedded charts.

### Features :

- ActiveTarget™ Live Sonar ready
- Active Imaging 3-in-1 ready
- FishReveal™
- Preloaded C-MAP Enhanced Embedded charts with high resolution inland and coastal coverage, plus mapping options including C-MAP, Navionics® and more
- C-MAP® Easy Routing, Navionics® Autorouting capability
- C-MAP Genesis Live onscreen mapping
- High-resolution multi-touch touchscreen
- Integrated wireless, NMEA 2000® and Ethernet connectivity
- Full touchscreen control of Power Pole® anchors and Ghost® Trolling Motor
