Description

" BELOW COST- ITS TIME TO GO "

WAS \$227,627

NOW \$179,924

*** SAVINGS NEVER TO BE REPEATED *** STOCK BOAT ONLY- TRANSPORT ARRANGED AUS WIDE !

Measuring in at 7.8m in Length with a spacious 2.48m Beam, the Offshore 760 HT is the new Flagship of the Melbourne-built Revival Boats range and establishes a new value-for money bench mark in the Maxi Trailerable market.

The OffShore ready open Hard Top with arguably the largest uncluttered cockpit in its class. As displayed, the H-U-G-E new Revival weighs in at around 3100kg (wet) with a High Performance Mercury 300HP PRO XS outboard, Fibreglass Hard Top and Centrally-mounted Live Well. The package rolls on a Tandem Alloy Dunbier trailer that's comfortably behind large utes and SUVs.

Priced at around \$60,000 below similar (often smaller) fibreglass hulls, the OS 760 HT offers extraordinary value in this climate. It offers unrivalled space for a large crew and doesn't compromise on fishing and luxury inclusions.

If you're in the market for a large, uncompromising feature-rich OffShore rig that makes the opposition seem ridiculously over-priced by comparison, then the OS 760 HT demands an immediate inspection.
